

DIRECTORS REPORT PRESENTED BY THE CHAIRMAN

On behalf of your Directors, I am extremely happy in presenting this Annual Report along with the Audited Accounts for the year ended 31st March, 2004.

LICENCING ACTIVITIES :

Performing Rights Income

The total Income on account of Performing Rights of the Society in the current year was Rs 7.84 crores compared to previous year Income of Rs 5.73 crores an increase of Rs. 2.11 crores which is about 37 % over that of last year.

Mechanical Rights Income

The Society in the current year collected Rs 3.65 crores from Licensing of Ring Tones on account of Mechanical Rights Governed by the Society on behalf of the Publisher Members.

After great efforts, the Society continued to secure Income from All India Radio (on Western music and all private FM broadcasting stations which is going to increase year by year. Vigorous efforts are on to secure revenues from AIR on the Indian repertoire.

We have been able to garner steady income from overseas as can be seen from the results. The Society has for the future planned to increase its Income from Overseas due to the increase in the exploitation of Indian Musical Works in the Overseas market by tapping new countries where Indian Music has made its inroads.

The Society continues to employ its idle funds which remain to be distributed, very effectively. The funds lie idle for the period between the receipt of royalties from Users and Foreign Societies and its distribution to the Members. There is this time lag, since the Society has to process all details for calculating Royalties payable to members.

COPYRIGHT AND LEGAL MATTERS

A. PENDING CASES AGAINST THE HOTEL FEDERATION

The 2 cases filed against us by the Federation of Hotels And Restaurants Association of India (FHRAI) in the MRTP Court and the Delhi High Court are now prolonging and reaching no reasonable conclusion. Additionally, the FHRAI has also filed a complaint before the Copyright Board on nearly the same issues as the other 2 pending matters. It seems it is another attempt by the Federation to bypass the MRTP commission and the Delhi High court and they seem to be desperate to get some orders against IPRS, but we and our advocates are very confident that the creative community will in the end, get full justice from whichever court or Forum the FHRAI takes to.

B. LEGAL AND OTHER VICTORIES

Carrying the Legal process further, the Society continues its battles against errant Users by taking Legal action against them. The Society has succeeded in all the Actions that it took. Through these actions, the Society is not only consolidating its position vis-a-vis the Users, but also setting legal precedence in the country of Copyright Issues.

I would like to recognize the immense and sincere efforts constantly put in by our Lawyers Mr. Pravin Anand resulting in these victories. For your information, the Society has planned to take Legal action against certain additional number of users during the ensuing year – with the aim of entrenching the Society as a Copyright Protector in India.

Major victory came in the form of a settlement order passed by the High Court Mumbai in Feb 2004, in a Writ petition filed by Tejpal Hall, making it obligatory for them not to allow any musical show to be performed in their auditorium unless the organizers acquired our licence before the commencement of the show and also allow 2 representatives of IPRS to monitor the show.

The Society's legal position was consolidated when the Kerala High Court very recently lifted its Injunction Order against IPRS and ordered all the defaulters concerned to pay up 50% of the royalties due to IPRS immediately. The Kerala High Court decision will be very significant decision which will have its impact on Licensing in Kerala. We and our Lawyers are very confident that the Kerala High court will definitely uphold the Copyrights of Composers and Authors.

As a part of strategy, it has been decided to transfer 5 important cases to the Supreme Court to conclusively get a ruling in our favour and avoid fighting individual cases at different venues.

Major chains like Pizza hut, Reliance Webworld and Raymond Retail outlets have been successfully licensed during the year and have started paying IPRS the requisite royalties for all its units through out the country.

C. AMENDMENTS TO THE COPYRIGHT ACT, 1957.

To be online with recent technological developments as also to make our Copyright Act more forceful and practical, the Government of India has formed a **CORE GROUP** to deliberate on the issues of bringing about any amendments to our Copyright Act. This Core Group and the Society is actively following up with the Government of India with its opinion on various provisions of the Copyright Act to be amended.

As you are well aware, IPRS has continued its most important task of having Section 52(1)(j) of the Copyright Act amended, in such a manner so as to protect both the Economic and Moral Rights of Composers, Authors and Publishers of Musical Works. The IPRS has appealed to the Government of India, Ministry of HRD to have Section 52(1)(j) deleted. In this direction, the Society took a delegation consisting of M/s. Naushad Ali, Khayyam, Anandji V Shah, Ravindra Jain and Hasan Kamaal. This delegation was also joined by an IMI delegation consisting of Ms. V.J.Lazarus and Abhik Mitra. Thus, both the IPRS and the IMI have jointly collaborated to have section 52(1)(j) deleted, so as not to allow the rich musical heritage of our country and the property of our members to be ruined, distorted and mutilated in a manner which is not acceptable to the creators of that music.

On 18th July 2003, the joint delegation of the IPRS and the IMI met the then Deputy Prime Minister Shri L. K. Advani, the then Minister of HRD – Shri Murlidhar Manohar Joshi and the then Minister of I&B – Shri Ravi Shankar Prasad on this issue. Their response was indeed very heartening and encouraging and as much as all the three leaders agreed with the IPRS views on these issues and promised their full support in ensuring that creativity is encouraged and the creators of musical works are protected in the most effective manner possible.

The Society is determined to take this matter to its logical conclusion and will be following up very regularly with Indian leaders, irrespective of their political affiliations, to attend to these nationally important issues. I would thus appeal to all members, to help the Society on this issue in any manner whatsoever and come forward to join this crusade to SAVE MUSIC.

SEMINAR AND OTHER ACTIVITIES

- A. **CISAC Training Course** : CISAC had organized a CISAC/WIPO training Workshop for CCL managers at Tobago from Jan19-23 2004. The Society was invited as a facilitator for this workshop which was very successful.
- B. **Visit to COTT** : The Society officials visited the Trinidad and Tobago Society – COTT to lecture on Licencing and Distribution.
- C. **"Intellectual Property Rights and Broadcasting – Protection of Rights of Broadcasters and Performers"** : FICCI Broadcasting Committee FICCI / IIPD organized a Round table Conference on 6.11.2003 at New Delhi, in which our Society participated.
- D. **Staff Training program** : CISAC Asia Pacific sponsored a training program for the staff of IPRS in Australia and Singapore. The training was in APRA and COMPASS from 20.7.2003 to 5.8.2003. The staff members benefited immensely from these programs.
- E. **MEMBERS FORUM**

The Society for the first time organized a very successful "Members Forum" in Mumbai on 21st Sep 2003. It was attended by 70 members and a healthy interactive session was held where the members could freely air their concerns on various issues relating to the Society as well as the music world. It was decided to hold such forums twice a year.

ACQUISITION OF AN ADDITIONAL PREMISE.

The Society has acquired an additional office premise in the 3rd floor of Golden Chambers admeasuring 345 sq ft at a cost of Rs 17 lacs, with a view to expand its activities.

PRS – CMDA – FWA COLLABORATION

The Society continues its collaboration with the Cine Music Directors Association (CMDA) and Film Writers Association to improve the situation of Music in the present times, especially with respect to cover versions, re-mixes and usage of music in films. This collaboration will pave the way for a fight against wrong practices in the Music Industry.

INTERNATIONAL RELATIONS

The Society is constantly engaged in improving its International Relations with its various Sister Societies. Your Society also participated at the **CISAC AP Committee** : The Asia Pacific Committee met in Vietnam on 10th/11th November, 2003. This was followed by a Workshop for Vietnamese Government officials.

ADMINISTRATION

A. ROYALTY DISTRIBUTION

The Society held 3 Overseas Royalty Distributions during the financial year 2003-2004 in June 03, September 03 and Feb 04.

Further, the Society also distributed Royalties of FM Radio in Mar 04 and Ringtones royalties in Jun 03 and Dec 03 to all its Members. For our Members in the South, the Society arranged for the Distribution Meeting in December 2003. During the meeting luminaries like Shri T M Soundarjan, Shri T K Ramamurthy, Shri Piraisudan, Shri Kaalidasan and Shri S A Rajkumar were honoured for their contributions to the Music World. Royalty cheques were also distributed to our Members, and various issues were discussed at the Open Forum.

The Society would like to see that these meetings in Chennai act as Regional AGMs or as a Forum for its South members to air their views and opinions on various matters, as also give their suggestions for improving the, Performance of the Society. This is important, since whereas the Western Region Members get an opportunity to air their views, interact with the Governing Council and get their points clarified, the South Regional Members do not get such an opportunity. Thus, the Governing Council of your society has decided to hold such an Annual Meeting at Chennai regularly.

B. DATA DOCUMENTATION

I am honoured that my request to all, at the last AGM, resulted in a large number of Members filing their Work Notification Forms with the Society. However, there are still some Members who are not filing their Work Notification Forms with the Society. This causes a lot of difficulties in administrating the Rights of their Music, identifying their Works in distributing Royalties thereon. Further, there are Members who have initially filed their Work details but thereafter have not been prompt enough to file their subsequent Work details. Thus, I take this opportunity to once request all Members to furnish their full Work details on a regular basis and don't wait for a reminder from the Society. This would ensure more Royalties for you. Thus, help the Society to help you.

C. WEBSITE

The Society has now got its Website – www.iprs.org. Members are encouraged to avail of this facility where they can register their Works online as also their colleagues can apply for membership online too !!! Further, answers to general queries that you may have, would be found on the site.

D. LICENCING

As the society is striving hard in the area of Licencing Live Performances, Members are requested to co-operate with the Society – to the extent that whenever they take part in any Live Performances, they should ensure that an IPRS Licence has been obtained by the organizer of that Event. Only then, will organizers learn a lesson and start paying up IPRS Royalties. If all of us follow this procedure of not attending any Performance, Show, Concert without having the IPRS green signal, no show can be successful. At this point I would like to remember a phrase "United We Stand"

E. DG's RESIGNATION :

I have to inform all the members that our DG submitted his resignation in Mar 2004 which was unanimously accepted.

F. NEW APPOINTMENTS : I am happy to inform you that the Governing Council has confirmed the appointments of Mr Rakesh Nigam as the CEO and Mr Ravichand Nallappa as the GM with effect from 1.6.04 to lead the Society forward.

MEETINGS

The Annexed statement would give you the number of Meetings the Governing Council held during the financial year 1.4.03 to 31.3 04 and the attendance by each Director at such Meetings.

MEMBERSHIP

Since the last Annual General Meeting 103 (37 Composers, 30 Authors, 16 Publishers and 20 Audio Visual Publishers) new Members and 8 Legal Heir Members have been admitted to the Membership of the Society during the year . The list of such new Members is attached. The total strength of the Society now is 1367 Members.

ACKNOWLEDGEMENTS

We thank our *Legal Advisers and Auditors* for their guidance and co-operation. We also thank our staff who have co-operated whole heartedly in the working of our Society.

GENERAL

With all the progress being made by the Society and the increasing amount of exploitation of Indian music in India and Abroad, one need not emphasize the growing importance in value of Performing Rights. Performing Rights is a very valuable wealth of any Author, Composer and Publisher and has thus to be protected by him. With the growth of income from Performing Rights, it is now become important for all IPRS Members to be cautious while dealing with Copyright. I would recommend to all members that they seek advise and assistance of IPRS in all their Copyright matters so that they are not exploited unduly.
