NOTES TO THE FINANCIAL STATEMENTS

BackGround

The Indian Phonographic Industry (IPI), the Association of Phonogram Producers, was established in 1936, and it was instrumental in finalizing the Broadcasting License arrangement in India. Subsequently, IPI members decided to form a specialised body to administer their Public Performance and Broadcasting Rights, so Phonographic Performance Limited (PPL) came into being and was registered and incorporated as a Company on 24th April 1941. PPL is a Company limited by Guarantee and not having a share capital, where liability of the members is limited. IPI changed its name to The Indian Music Industry (IMI) in 1994.

PPL has been functioning as the Performing Rights Society for Sound Recordings. After the amendments in copyright law in 1994, PPL was registered with the Registrar of Copyrights, Government of India, as Copyright Society in respect of Sound Recordings. PPL is mainly engaged in administering the Broadcasting / Telecasting, Digital, Mobile and Public Performance Rights on behalf of over 139 music companies which are its members.

The main object of the Company includes among many others, issuing or granting license for the public performance of gramophone records, perforated rolls and other forms by which sounds may be mechanically and/or electronically reproduced.

1. Significant Accounting Policies:

(e) Radio

Royalty income from Radio is recognised in accordance with licensing agreements with All India Radio (A.I.R) and other broadcasters on accrual basis except where there are significant uncertainties, it has been recognised on cash basis.

(Also Refer to Notes 4(a) and 4(b) below)

(f) Gratuity

SCHEDULE ANNEXED TO AND FORMING PART OF THE BALANCE SHEET AS AT MARCH 31, 2007 AND PROFIT AND LOSS ACCOUNT FOR THE YEAR ENDED MARCH 31, 2007

SCHEDULE: " M " (Contd.)

NOTES TO THE FINANCIAL STATEMENTS (Contd.)

(i) Recognition of Income and Expenditure

Items of income and expenditure are generally recognised on accrual (except where there are significant uncertainties) and prudent basis. Royalty income and expenses in Radio includes All India Radio (AIR), Private Frequency Modular (FM) and Satellite Radio, Mobile includes Ringtone, Ring Back Tone and embedded, Others includes Interactive Voice Response (IVR), Music Audio/Video Streaming, Juke Box and Webcasting. AIR includes Vividh Bharati (VB), Primary Channel (PC) and FM Metro and Mini Metro.

(j) Software Expenses

Software obtained initially together with hardware is capitalised along with the cost of hardware and depreciated in the same manner as the hardware. All subsequent purchases of software are treated as revenue expenditure and charged in the year of purchase.

(k) Provisions for Contingent Liabilities

The Company recognises a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

(l) Impairment of Assets

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. The recoverable amount is higher of the asset's net selling price or estimated future cash flows, which are discounted to their present value based on appropriate discount rates. If such recoverable amount of the asset or recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Profit and Loss Account. If at the Balance Sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and asset is reflected at the recoverable amount.

SCHEDULE: " M " (Contd.)

NOTES TO THE FINANCIAL STATEMENTS (Contd.)

- (b) Royalty income for Private Frequency Modular (FM) have been accounted for based on intimation received from parties regarding hours broadcast during the year at agreed rates and/or at rates pursuant to interim orders of High Courts at Kolkata and Mumbai. During the year 2004-05, Mumbai High Court vide their order dated 13th April 2004 disposed off the appeals made by the Company and the broadcasters against the order of the Copyright Board (CRB) dated 19th November, 2002. The Mumbai High Court held that the compulsory license can be issued to all the broadcasters, however the court set aside the CRB's aforesaid order and referred the matter to them for re-determination of the fees.

As the order of CRB dated 19th November, 2002 was set aside, the Company has moved the Mumbai High Court for directions as to which Order should now be followed and from what date. However, there is no order on the matter so far and certain broadcasters continue to pay the royalty fees as per their respective interim court orders prior to the order of Mumbai High Court dated 13th April 2004.

Aggrieved by the interpretation of Section 31 (Compulsory Licence) by the Mumbai High Court, the company filed a special leave petition (SLP) before the Supreme Court challenging the order of the Mumbai High Court. The same came up for initial hearing on the 27th July 2004. The Supreme Court stayed the proceedings before the CRB till the issue of compulsory licence is decided by the Supreme Court. During the year 2005-06, the Company had made the interim application to Supreme Court for fixing a preemptory date for hearing. The matter was heard on 6th February 2006. However, no order was passed for preemptory date and the matter is pending before the Supreme Court.

- (c) As in the past, royalty income from Public Performance have been accounted for on cash basis in view of significant uncertainty as to ascertainment of accruals.
- (d) Royalty income for Telecasting, Mobile, Satellite Radio and Others have been accounted for based on usage report submitted by licensees at rates and/or minimum guarantee rates as per agreements with those parties. Estimates are made on prudent basis wherever necessary.
5. (a) As in the earlier years, royalty distributed from A.I.R is calculated as percentage of the net receipts (i.e. gross receipts – legal and administrative expenses). The royalty payment is based on the label information and is distributed on the basis of actual receipts (i.e. gross receipts – provision) (As mentioned in Note 4(a) above). Related royalties in respect of amounts realised for the year Rs. Nil have also been accounted for on the basis referred to above and are inclusive of further charge of Rs. Nil (Previous Year Rs. 124,862) for VB and Rs. Nil (Previous Year Rs. 606,888) for PC and Rs. Nil (Previous Year Rs. 1,502,278) for FM Metro and Mini Metro.
- (b) As in the earlier years, royalty distributed for Private FM, Public Performance, Ring Tone, Telecasting, Interactive Voice Response (IVR), Juke Box and Ring Back Tone have been accounted for to the extent of the corresponding income for the year from fees [as indicated in Notes 4 (b), 4 (c) and 4 (d) above respectively] net of related legal and administrative expenses.
- (c) Royalty distributions for Music Audio/Video Streaming and Satellite Radio has been accounted for to the extent of the corresponding income for the year from fees (as indicated in Note 4(d) above) net of legal and administrative expenses.
6. Adjustments in royalty income for radio billed to Private FM licensees and distribution of royalty payable to the members in this regard as may arise on resolution of the matter currently pending before the Mumbai, Kolkata High Court and Supreme Court as indicated in Note 4(b) above (including directions as regards applicable license fees and its applicable dates) will be accounted for on receipt of the related order.

10. Maharashtra Value Added Tax :

Pursuant to issuance of Trade Circular No. 24T of 2005 dated 30th August 2005, to claim administrative relief under the Lease Tax Act, 1985, the Company during the previous year had registered itself, voluntarily and without prejudice, under Maharashtra Value Added Tax Act, 2002 (MVAT). Upon such registration, the tax which would have been levied in respect of lease of copyright of cinematograph films including video films for the period 1st April 2000 to 31st March 2005, which was being contested by the Company was waived as administrative relief.

However, the Company had not paid the MVAT liability on all its operating income from 1st April 2005 to 30th September 2005 and for Public Performance Fees also from 1st October 2005 to 31st January 2006. During the year, the Company has paid the MVAT liability on Public Performance Fees for the period 30th September 2005 to 31st January 2006 amounting to Rs.1,402,608. While awaiting the response from the MVAT authorities, the Company had started voluntarily paying towards MVAT liability effective February 2006. Subsequent to the year end, the Commissioner of Sales Tax, Maharashtra State, Mumbai under Section 56 of the Maharashtra Value Added Tax Act, 2002 vide order dated 30th April 2007 stated the Company is a dealer under the provisions of MVAT. The Company filed its appeal dated 5th July 2007 against the said order with the Maharashtra Sales Tax Tribunal. Hearing on the said appeal is pending and is expected to commence from October 2007.

The liability in respect of Maharashtra Value Added Tax not paid on operating income from 1st April 2005 to 29th September 2005 amounts to Rs. 5,586,576 for which no provision has been made in the books.

The Management expects to collect these certificates prior to filing of income tax return. And hence, no provision has been considered necessary by the Management.
